ENCONA

Encona, the brand, was first registered by parent company Enco Products Ltd. Soon after the company was incorporated in December 1946 and during the 1950's and 1960's, when West Indians first began to arrive in the UK, the company sold Caribbean grocery products such as peas, beans and pounded yam, ground rice and cornmeal products. It was not until 1975 that we first introduced our Hot Pepper Sauce range under the 'Encona' name...and they haven't looked back since!

Clients

As our company are presented in the Baltic since mid 90's, we managed to build long-term and trustful relationships with main Retail chains, Wholesale and Horeca clients across all of the Baltics.

We continue to cooperate actively offering different marketing programmes, creating special campaigns and discussing what would be most suitable strategies for more successful product distribution.

We have significant brand recognition among consumers in Baltics as our sales from year to year confirms that people are interested and satisfied with our product range.

Our most valuable clients
